Grammar is the way we arrange words to make proper sentences. Word level grammar covers verbs and tenses, nouns, adverbs etc. Sentence level grammar covers phrases, clauses, reported speech etc.

In linguistics, grammar (from Ancient Greek γραμματική) is the set of structural rules governing the composition of clauses, phrases and words in a natural language. The term refers also to the study of such rules and this field includes phonology, morphology and syntax, often complemented by phonetics, semantics and pragmatics. Fluent speakers of a language variety or lect have a ...

This module focuses on the importance of clean freshwater around the world. Using the children’s book One Well: The Story of Water on Earth as an anchor text, this unit builds on the background knowledge students developed in second grade regarding cycles in nature, in order to help them deepen their understanding of their overall dependence on earth’s limited water supply.

How to Improve Your Grammar. Grammar is the system that structures a language, and every language has its own guidelines. But grammar isn’t so much about rules as it is the conventions that determine how we speak and write, and it includes...

Spanish Grammar. Find topics in left sidebar in top menu. Frankly, when most people think of "grammar" they don’t get very excited. But grammar can teach you something in minutes that might take days to figure out by immersion alone.

In grammar, the voice of a verb describes the relationship between the action (or state) that the verb expresses and the participants identified by its arguments (subject, object, etc.). When the subject is the agent or doer of the action, the verb is in the active voice. When the subject is the patient, target or undergoer of the action, the verb is said to be in the passive voice.

Case is shown in different ways in Ithkuil depending on whether the case is being manifested in conjunction with a formative or a personal reference adjunct (explained in Section 8.1). For formatives, the 72 primary cases are shown by one of 72 forms of the vocalic affix Vc.
